PARENT CONFERENCES:

Communication between school and home is extremely important. Please feel free to call your child's teacher or the preschool director anytime a question may arise.

-Conference shall be held twice a year for all grades starting with the Pre-k4 class.

MESSAGES / NOTES:

Please send all messages to the school IN WRITING. Verbal messages are not dependable. When it is necessary to call the school, please remember that teachers are in class until 1:00. Unless it is an emergency, leave a message in the office and the teacher will call you after dismissal.

Please send a written note if your child is riding home with someone else. If your home phone number, work phone number, or emergency number should change, please notify us immediately in writing.

DRESS:

Please mark all clothing that a child can remove, such as sweaters, coats, hats, or gloves, WITH THE CHILD'S NAME. **Additional clothing in a baggie marked with child's name should be kept at school for emergencies.** Cowboy boots MAY NOT BE WORN.

LUNCH / SNACKS:

Please provide your child with a lunch each day. We also have refrigerators and a microwave that we would be more than happy to heat your child's lunch if needed - Just let us know with a note in the lunch box. Snack is determined by class.

BIRTHDAYS:

Special attention is given to birthdays. A decorated cookie or other special treat is appropriate and you may provide special plates, cups, napkins, etc.

DISCIPLINE PROCEDURE FOR STUDENTS:

We try to structure the classroom environment, the daily schedule, and the planned activities in such a way as to prevent problems from occurring in the classroom. However, when discipline becomes necessary, we start by gently reminding or explaining to the child what is acceptable and give the child the opportunity to correct his/her own behavior. Then redirection is used with the teacher offering an alternate activity to the child. If the inappropriate behavior continues, the child is separated from the group within the classroom. If this "time out" within the classroom does not affect the behavior, the child is removed from the classroom and taken to the director's office. A parent may be called at this point if the director feels the need for input or assistance in determining the most effective way to handle the behavior. Any behavior that a teacher deems dangerous to the child or dangerous to other children in the classroom will be cause for immediate removal from the classroom.

We will make every reasonable effort to cooperate with the parents and the child, but extremely disruptive, destructive, or dangerous behavior will be cause for dismissal from the program.

HEALTH & SAFETY ISSUES:

A child should not attend school if any of the following symptoms are present or have been exhibited within the previous **24 hours**:

- temperature of 100 degrees or above
- vomiting
- severe, runny nose
- extreme congestion
- diarrhea
- pinkeye
- persistent, heavy coughing
- other obvious signs of illness

If a child develops these symptoms during the school day, the child will be isolated and parents will be contacted and requested to pick up the child. In the event that a parent cannot be contacted, the emergency contact listed on the registration form will be called.

The director of the school is the only person allowed to administer prescription or over-the-counter drugs to any student. The prescription over-the-counter drugs must be in the original container accompanied by either a doctor's orders or the parents written instructions.

REASONS FOR DISMISSAL:

- Non payment of fees can result in dismissal.
- Extremely disruptive, destructive, or dangerous behavior of a child will be cause for dismissal. Every effort will be made to work with the parents and a trial period can be arranged.
- Repeated tardiness in arrival or picking up a child can result in dismissal from the program.
